HOME HEALTH AIDE | PROVIDENCE CARE, INC | JUNE 2021-MAY 2022

- At the start of Summer 2021, I started working as a Home Health Aide. As a Home Health Aide, I assist with daily tasks and activities such as preparing meals and attending to basic needs to ensure their well-being. I also assist with medicals needs that include tracking medical appointments and managing medications and health conditions.

STUDENT REPRESENTATIVE | UNIVERSITY OF GEORGIA ENGAGEMENT CENTER | FALL 2020 –

SPRING 2021

- I worked as a student call representative at the UGA Engagement Center. As a student representative, I placed calls to UGA alumni, parents, and friends on behalf of the university to support student scholarships and academic awards.

RESEARCHER | CENTER FOR UNDERGRADUATE RESEARCH OPPORTUNITIES (CURO) | SUMMER 2020 – SPRING 2021

- I was involved in a research project on contactless consumer payments during COVID-19 pandemic. My part in the research is to observe the payment habits of minority groups in the U.S. and understand how disparities (underlying health conditions, socioeconomic backgrounds, living conditions, etc) contribute to their use of Fintech and banking products.

Volunteer Experience

VOLUNTEER | PIEDMONT ATHENS REGIONAL HOSPITAL | JAN 2020 – MAR 2020

- Once a week every Thursday, I volunteered at Piedmont Athens Regional Hospital in their Community Care Clinic. I assisted in calling and confirming patient appointments, faxing over patient information, and helping at the front desk.

STUDENT TEACHER | BARROW ELEMENTARY, ATHENS, GA | SEPT 2019 – DEC 2019

- On Monday and Friday mornings for my FOCUS project class, I had the opportunity to teach 3rd graders scientific topics and help encourage their interests in the STEM field. I also had the opportunity to teach a group of girls about Nanka School Project, its goals, and the lives of people living in Nigeria through demonstrations and activities.

VOLUNTEER | NNOBI YOUTH ALLIANCE, ATLANTA, GA | JUNE 2018– JULY 2018

- I had the opportunity to raise funds for a medical and educational mission to my parents' hometown Nnobi, Nigeria, which aided in sponsoring the medical and educational mission to Nnobi citizens. The mission took place to assist Nnobi Indigenes with basic medical assistance that is lacking in many Nigerian villages.

VOLUNTEER | ARAMARK | SEPT 2017– OCT 2019

- I had the opportunity to volunteer at football concessions as a cashier for Aramark under these organizations that I am a member of at UGA. I have also

assisted most of these organizations in planning and putting on events to help promote the organizations and achieve their goals

VOLUNTEER | CHILDREN'S HOSPITAL NAVICENT HEALTH, MACON, GA | JUN 2018 – JUL 2018

- As a volunteer, I was in charge of supplying, organizing, and cleaning the toy closet. I also delivered toys to children while also having the chance to interact with the children and play with them to ease their stress and provide emotional support.

Shadowing Experience

VIRTUAL SHADOW | PRE-HEALTH SHADOWING | FEB 2022 – PRESENT

- I had the opportunity to virtually shadow various Physician Assistants in multiple specialties such as family medicine, emergency medicine, and dermatology. The PAs explained their positions in their specialties and presented multiple medical cases that they have treated in the past for shadows to learn how to diagnose patients.

SHADOW | PRIMARY PEDIATRICS, MACON, GA | JULY 2019

- I had the opportunity to shadow a pediatrician in their family care practice and observe the different patients she treated. I was also given background information on primary practices and what becoming a pediatrician entail.

NANKA SCHOOL PROJECT

- Secretary: 2019-2020
- Secretary/Public Relations Chair: 2020-2021

As Secretary for the 2019-2020 school year, I was in charge of delivering updated information in emails to members about upcoming events and activities, meetings, community service opportunities, and mission trip information to Nanka, Nigeria. As both Secretary and Public Relations Chair for the 2020-2021 school year, I continued with my position as secretary as well as taking on another position. As Public Relations chair as well, I was in charge of creating flyers for upcoming events and meeting along with updating the social media accounts.

MINORITY STUDENT SCIENCE ASSOCIATION

- Advisory Board: 2020-2021

As the Pre-Dental Liaison, I was in charge of providing accessible pre-dental resources to members who were on the pre-dental track and those interested in dentistry. I provided updated resources on volunteering and shadowing opportunities, local dental job opportunities, requirements and recommendations, and more resources needed to succeed on the dental track.

AFRICAN STUDENT UNION

- Member: 2017-2021

As a member, I was committed to community service projects, programs, and activities that the organization helped to bridge the gap between Africans and African-Americans. Throughout my time in this organization, I was involved in dance teams, play productions, program committees, and community service activities.

UNDERGRADUATE PEDIATRIC SOCIETY

- Mentor: 2019-2021

As a mentor, I had the opportunity to mentor two underclassmen girls who were interested in pediatrics. I gave them insight into my medical journey in college. I even advised them on what classes medical schools require and community service opportunities that I believe would benefit them on their medical pathways.

NNOBI YOUTH ALLIANCE ATLANTA, GEORGIA

- Vice-President: 2018-2019

In 2018, I served as the Vice-president of Nnobi Youth Alliance Atlanta, Georgia. The purpose of this organization is to organize the youth to help in addressing the health care of Nigerians and to ensure access to proper medical care.

OGLETHORPE HOUSE COUNCIL

- Secretary: 2017-2018

As secretary of my dorm council, I was in charge of recording both executive and general body meeting minutes. I also had to plan a required community event for residents to come together and get to know each other.
